

# git commit

<https://git-scm.com/docs/git-commit>

- Create a new commit containing the current contents of the index and the given log message describing the changes
- `git commit -m "<commit message>"`

```
package com.artusacademy

.git/
Main.java

public class Main {
    public static void main(String[] args) {
        System.out.println("Hello World!");
    }
}
```
