sum-function

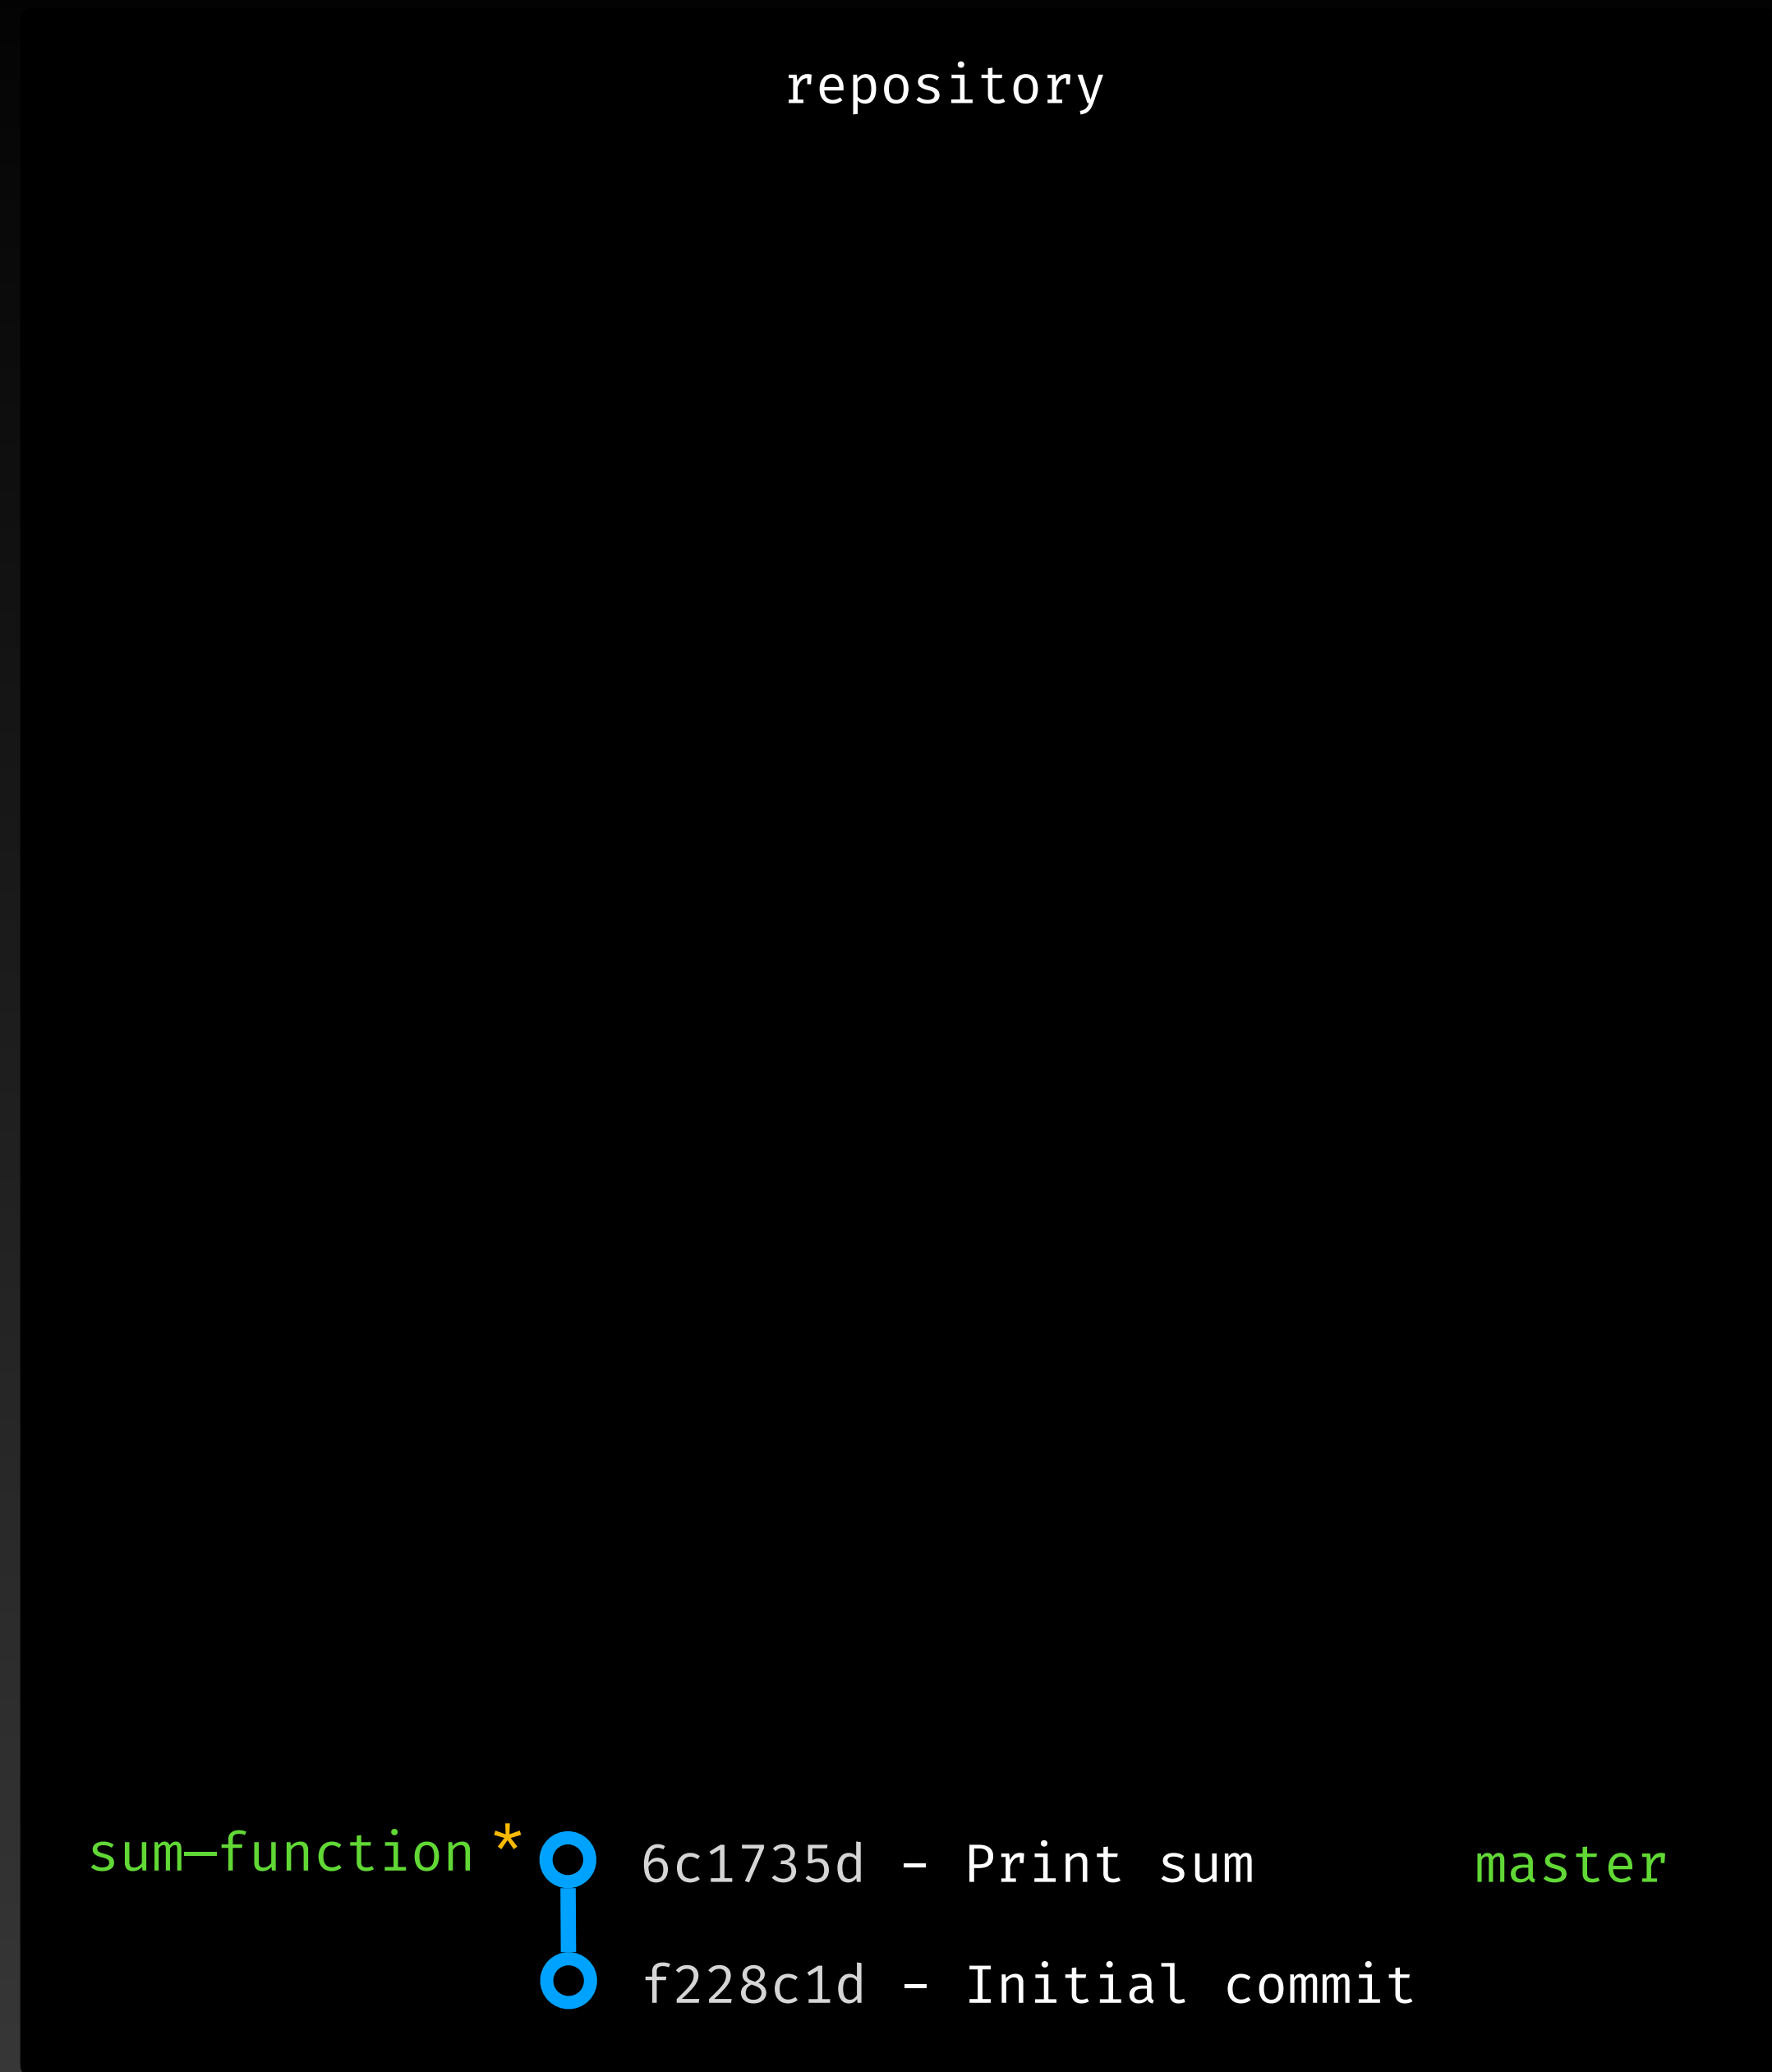

\$

git-switch-svn-function

```
$ git switch sum-function
Switched to branch 'sum-function'

$ git branch
* sum-function
  master

$
```

Commit in branch

- Add a **function add** in code for a function to calculate a **sum of two numbers**
- Use the function to calculate the sum.
- Commit using the message **“Add sum function”**

Main.java

```
public class Main {  
    public static void main(String[] args) {  
        int sum = add(10, 10);  
        System.out.println("Hello World");  
    }  
  
    private int add(int a, int b) {  
        return a + b;  
    }  
}
```
